(h) The right of the Association to dedicate or transfer all or any part of the Common Area owned by the Association to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members or otherwise allowed pursuant to this Declaration, as amended. Section 3.2 Delegation of Use. In accordance with the By-Laws and any reasonable and nondiscriminatory rules and regulations promulgated from time to time by the Association, and subject to the rights of others as set forth in this Declaration, any owner may assign his or her right of enjoyment of the Common Area owned by the Association, to family members, guests, tenants or contract purchasers who reside on the Lot.

Section 3.3 Certain Obligations and Access Rights to the Common Area.

(a) Except as otherwise set forth in this Declaration, the Association, subject to the rights of the Owners as set forth in this Declaration, shall be responsible for the management and control, for the exclusive benefit of the Owners as provided herein, of the Common Area owned by the Association and for the maintenance of the same in good, clean, attractive, safe and sanitary condition, order and repair.

The easements and rights specified herein also are reserved for the benefit of Declarant so long as Declarant owns any portion of the Property and for so long as Declarant may be liable under any builder's warranty.

Section 3.4 Drainage, Utility, Sewer and Other Development Easements. The following rights reserved in this Section shall not be exercised, after the conveyance of any Lot, in a manner that (i) unreasonably and adversely affects any Dwelling Unit or portion thereof located upon such Lot or the Owner's use or enjoyment thereof, or (ii) unreasonably restricts the rights of ingress and egress to such Lot. The following rights and easements reserved by Declarant in this Section shall run with the land, and Declarant's right to further alter or grant easements shall automatically terminate and pass to the Association one (1) year after Declarant shall have conveyed the last Lot within the Property.

(a) Declarant hereby reserves unto itself during the Development Period, and thereafter unto any public or private utility, an undefined easement ("Drainage, Utility and Sewer Easement") for drainage, utility and sewer purposes in, on and over all of the Common Area and Lots, so as to permit Declarant to properly install and allow to be maintained all electrical, telephone, water, gas, sanitary and storm sewer, television (including but not limited to cable and/or satellite) transmission facilities, security systems and other utility services (including all necessary lines, pipes, wires, cables, ducts, antennae and other equipment and facilities) to serve any Dwelling Unit constructed on the Property. Any Drainage Utility and Sewer Easement shall include all areas of the Property outside any Dwelling Units, with the exception of any areas covered by chimneys, or patios. Improvements or permanent structures installed within the

Common Area are subject to the rights (including the right to remove where reasonably necessary without duty of replacement or reimbursement) of the Declarant and any public or private utility to construct, maintain, repair or remove any necessary facilities. This easement shall be in addition to any easement defined upon a Plat as a drainage, sewer, utility, cable, transmission, flowage or similar type easement.

(b) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, an easement ("Lake Easement") and right-of-way in and to any areas now or hereafter shown on the Plat as a "Block", or any other Common Area within the Property used as a water retention or detention area, for the purpose of establishing and maintaining proper surface water drainage throughout the Property, and an easement of ingress and egress through so much of the remainder of the Property as is reasonably necessary or appropriate, to perform such actions as Declarant or the Association deem necessary or appropriate, for the purpose of establishing and maintaining proper surface water drainage throughout the Property, which such actions shall include the construction, repair and maintenance of retention and detention ponds or lakes in accordance with the requirements of applicable law and of all governmental agencies having jurisdiction (without undertaking any obligation or duty to exceed such requirements).

(c) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the right and an undefined easement ("Sign and Facilities Easement") to install, erect, construct and maintain an entryway sign or signs, directional signs, lighting, walkways, pathways, fences, walls and any other landscaping, architectural and recreational features or facilities considered necessary, appropriate, useful or convenient, anywhere upon the Property (except upon any Lot after the first conveyance thereof). Any signs shall comply with any applicable zoning requirements and the Association shall maintain all such facilities as a part of its Common Area maintenance obligations.

(d) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the full right, title and authority to:

(i) Relocate, alter or otherwise change the location of any Drainage, Flowage, Utility, Sewer and Lake, Sign and Facilities Easement, or any facility at any time located therein or thereon;

(ii) Grant such further easements, licenses and rights-of-way, temporary or permanent, exclusive or non-exclusive, surface or otherwise, as Declarant may deem necessary or appropriate, for ingress and egress, utility and similar purposes on or within any portion of the Property, for the benefit of any of the real estate described in Exhibit "A"; and,

(iii) Describe more specifically or to change the description of any Drainage, Flowage, Utility, Sewer, Lake, Sign and Facilities Easement or any other easement, license or right-of-way now or hereafter existing on the Property, by written instrument, amended Plat or amendment to the Plat recorded in the Office of the Recorder of Hamilton County, Indiana.

(e) The title of the Association (as to the Common Area owned by the Association during the Development Period) and of any Owner of any Lot shall be subject to the rights and easements reserved herein.

Section 3.5 Easement for Emergency Purposes. An easement is hereby dedicated and granted for use in the case of emergency-by-emergency vehicles such as fire trucks, police cars and ambulances and emergency personnel, public and private, over and upon the Common Area.

Section 3.6 Fee Title to Lot. The fee title to any Lot described as bounded by any street, lane, walkway, park, pond, lake, or any other common property which has not been dedicated or accepted by the public and the fee title to any Lot shown on any recorded plat of **BRITTON RIDGE** as abutting upon any such common property shall not extend upon such common property and the fee title to such common property is reserved to the grantor to be conveyed to the **BRITTON RIDGE HOMEOWNERS ASSOCIATION** for the common enjoyment of all residents in **BRITTON RIDGE**.

Section 3.7 Drainage Easements. There are strips of ground reserved for drainage and utility easements ("D. & U:E.") shown on this plat which are hereby reserved to the appropriate governmental entities for the installation and maintenance of swales, ditches, pipes, drains, manholes, detention and retention areas or other drainage facilities. Purchasers of lots in this subdivision shall take title subject to the easements hereby created and subject at all times to the rights of proper authorities to service and maintain the drainage facilities and easements hereby created and no permanent structure of any kind and no part thereof except fences which do not retard or impede the flow of drainage water, shall be built, erected or maintained on said drainage easements. It shall be the responsibility of the Association and the owners of the areas enclosed within the drainage easements to maintain such areas in such conditions that the flow of storm drainage waters on, across and from said areas shall not be impeded, diverted or accelerated. Such use for storm water movement or retention or detention is hereby declared to be an easement and servitude upon said land for the benefit of the owners of other land included within the Plat, upstream or downstream, affected by such use and for any proper governmental agency or department. All proper governmental agencies or departments are hereby given the right to obtain access to such areas to perform maintenance and to perform such maintenance as may be necessary to protect that easement and servitude rights. It shall be the responsibility of the Association and the owner of any lot or parcel of land within the plat to comply at all times with the provisions of the drainage plan as approved for this plat by the appropriate governmental agency or department and the requirements of all drainage permits for the plat issued by those agencies. Failure to so comply shall operate as a waiver and release of the developer, his engineer and agents from all liability as to damage caused by storm waters or storm drainage.

Further, there are easements and servitudes upon the land within the plat in favor of surface water runoff along natural valleys and drainage channels running to owners of other land contained within the Plat, upstream and downstream. It shall be the responsibility of the Association and the owners of these natural valleys and channels to use their land and maintain

said natural valleys and channels in such manner and condition that the flow of storm drainage waters on, across, from and to such areas shall not be impeded, diverted or accelerated.

Section 3.8 Street Dedication. All streets now or hereafter located upon the Property are hereby dedicated to the public.

ARTICLE IV

Association Membership, Voting Rights Board of Directors and Professional Management

Section 4.1 Membership. Initially, the person(s) who serve as incorporator(s) of the Association shall be the member(s) (the "Initial Member(s) "). The Initial Member(s) shall remain member(s) of the Association until the Association Articles of Incorporation are accepted by the Indiana Secretary of State, at which time the Initial Member(s) shall cease to be member(s) unless they also qualify as Class A or Class B members. Every Owner of a Lot which is subject to assessment shall be a member of the Association. Apart from the Initial Member(s), a membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot.

Section 4.2 Classes of Membership and Voting Rights. The Association shall have the following two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant. Class A members shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as the members holding an interest in such Lot determine among themselves, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member shall be the Declarant. The Declarant shall be entitled to five (5) votes for each Lot owned. For purposes of this calculation, it shall be assumed that Declarant owns 241 Lots, which number shall be reduced "as Lots are conveyed by the Declarant to an Owner. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier: (a) when the total number of votes outstanding in the Class A membership is equal to the total number of votes outstanding in the Class B membership; or (b) December 31, 1998.

Section 4.3 Board of Directors. The Owners shall elect a Board of Directors of the Association as prescribed by the Association's Articles and By-Laws. The Board of Directors shall manage the affairs of the Association. Directors need not be members of the Association.

Section 4.4 Professional Management No contract or agreement for professional

management of the Association, nor any other contract between Declarant and the Association, shall be for a term in excess of three (3) years. Any such agreement or contract shall provide for termination by either party with or without cause and without payment of any termination fee upon written notice of ninety (90) days or less.

ARTICLE V

Covenant for Maintenance Assessments

Section 5.1 Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot now or hereafter owned by it within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

- (a) Regular Yearly Assessments (for maintenance, repairs and ordinary operating expenses, including Common Expenses);
- (b) Special Assessments for capital improvements and operating deficits and for special maintenance or repairs as provided in this Declaration.

Such assessments shall be established, shall commence upon such dates and shall be collected as hereinafter provided. All such assessments, together with prejudgment interest at eight percent (8%) per annum, costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to such Owner's successors in title unless expressly assumed by them.

Section 5.2 Purpose of Regular Yearly Assessments. The Regular Yearly Assessments levied by the Association shall be used exclusively, in the reasonable discretion of the Board of Directors of the Association, for the promotion of the recreation, health, safety and welfare of the residents in the Property, for the improvement, maintenance and repair of the Common Area, for the performance of the obligations and duties of the Association and for other purposes only as specifically provided herein. As and if necessary, a portion of the Regular Yearly Assessments shall be set aside or otherwise allocated in a reserve fund for the purpose of providing repair and replacement of the Common Area, and other capital improvements which the Association is required to maintain.

Section 5.3 Maximum Regular Yearly Assessments.

- (a) Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum Regular Yearly Assessment on any Lot shall be \$120.00 per Lot per year.

(b) From and after January 1 of such year, the maximum Regular Yearly Assessment may be increased each calendar year not more than 10% above the maximum Regular Yearly Assessment for the previous year, without a vote of the membership.

(c) From and after January 1 of such year, the maximum Regular Yearly Assessment may be increased each calendar year by more than 10% above the maximum Regular Yearly Assessment for the previous year, with the approval of two-thirds (2/3) of those members of each class of members who cast votes in person or by proxy at a meeting duly called for this purpose.

(d) The Board of Directors from time to time may fix the Regular Yearly Assessment, without any vote of the membership, at any amount not in excess of the maximum.

Section 5.4 Special Assessments for Capital Improvements and Operating Deficits. In addition to the Regular Yearly Assessments authorized above, the Association may levy a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain, or to recover any operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of two-thirds (2/3) of those members of each class of members who cast votes in person or by proxy at a meeting duly called for this purpose.

Section 5.5 Notice and Quorum for Any Action Authorized Under this Article. Written notice of any meeting called for the purpose of taking any action authorized under this Article shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5.6 Quorum Rate of Assessment. Regular Yearly Assessments and Special Assessments for capital improvements and to recover operating deficits must be fixed at a uniform rate for all Lots, except that Declarant and any individual or entity purchasing a Lot, or Lots solely for the purpose of construction of a for-sale Dwelling Unit thereon (a "Builder") shall pay only twenty-five percent (25%) of the Regular Yearly Assessments and Special Assessments so long as any Dwelling Unit constructed upon a Lot by Declarant or Builder has not been conveyed to an Owner intending to occupy or rent said Dwelling Unit as a residence or leased to an individual or entity for use as a residence.

Section 5.7 Date of Commencement of Yearly Assessments; Due Dates. The Regular Yearly Assessment provided for herein shall commence as to each Lot within a recorded plat the first day of the first month following conveyance of the Common Area within such plat to the Association, or if there is no Common Area, the first day of the first month following the

recording of such plat. The Board of Directors shall fix any increase in the amount of the yearly assessments at least thirty (30) days in advance of the effective date of such increase. Written notice of any increase in the Regular Yearly Assessment, and written notice of any Special Assessment and such other assessment notices as the Board of Directors shall deem appropriate, shall be sent to every Owner subject thereto. The due dates for all assessments, and the assessment and collection period (i.e., annual, monthly, lump-sum or otherwise) for any Special Assessments, shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an Officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any Lot shall be binding upon the Association as of the date of its issuance.

Section 5.8 Effect of Non Payment of Assessments: Remedies of the Association. If any assessment (or periodic installment of such assessment, if applicable) is not paid on the due date established therefore pursuant to this Declaration, then the entire unpaid assessment (together with interest thereon, costs and attorneys' fees as provided in this Declaration) shall become delinquent and shall constitute a continuing lien on the Lot to which such assessment relates, binding upon the then Owner, his heirs, devisees, successors and assigns. The personal obligation of the then Owner to pay such assessments, however, shall not pass to such Owner's successors in title unless expressly assumed by them. If any assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, or both. In such event, there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action; and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided, costs of the action and reasonable attorneys' fees to be fixed by the Court. No owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area owned by the Association or abandonment of his Lot.

Section 5.9 Subordination of the Lien to Mortgages; Sale or Transfer. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer. No sale or transfer of any Lot (whether voluntary or pursuant to foreclosure or otherwise) shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof; and, except as hereinabove provided, the sale or transfer of any Lot shall not affect the lien of assessments becoming due prior to the date of such sale or transfer except to the extent that a purchaser may be protected against the lien for prior assessments by a binding certificate from the Association, issued pursuant to this Declaration, as to whether or not such assessments have been paid.

ARTICLE VI

Use, Restrictions, and Architectural Control

Section 6.1 Lot Use and Conveyance. All Lots shall be used exclusively for single family detached residential purposes, except that Declarant, during the Development Period, reserves (a) the rights provided in this Declaration respecting the Property generally, and (b) the right to subdivide, dedicate or otherwise convey or designate all or any portion of anyone or more Lots which it may own from time to time for recreational or other common uses and benefit of all Owners and other members of the Association. Any Lot or portion thereof so designated for common use shall become part of the Common Area owned by the Association, and reasonable rules and regulations shall be promulgated and enforced with respect thereto so that the use and enjoyment of adjacent Lots by the Owners thereof shall not be unreasonably disturbed. Except as provided in the Declaration, no Lot shall be subdivided to form units of less area. Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the covenants, conditions and restrictions contained herein.

Section 6.2 Architectural Control. No building, fence, wall or other structure, except original construction of Dwelling Units by or on behalf of the Declarant shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration therein, other than by the Declarant, be made until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant until the end of the Development Period and thereafter by the Board of Directors of the Association. After the Development Period, the Board may appoint three (3) or more representatives to an Architectural Committee. Any change in the appearance or the color of any part of the exterior of a residence shall be deemed a change thereto and shall require the approval therefore as above provided. In the event that written approval is not received as required hereunder within thirty (30) days after complete plans and specifications have been submitted, approval will not be required and this Section will be deemed to be fully complied with.

Section 6.3 Leasing. Any Lot may be leased by its Owner.

Section 6.4 Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept on any of said Lots, except that dogs, cats or other household pets may be kept provided they are not kept, bred or maintained for any commercial purposes.

Section 6.5 Outside Storage. All clotheslines, equipment, garbage cans, service yards, woodpiles or storage piles shall be kept from view of neighboring homes and streets. All rubbish, trash or garbage shall be regularly removed from the premises, and shall not be allowed to accumulate thereon. Trash must be stored in enclosed containers.

Section 6.6 Setback Lines. Front Building lines are hereby established as shown on the

foregoing plat between which line and the right-of-way lines there shall be erected, place or altered no structure or part thereof except that fences in keeping with architectural style as specifically approved by the Association Board of Directors or Architectural Review Committee will be permitted, except that in no case will such fences be permitted on the public right-of-way. The building lines, which are from public right-of-way lines, are parallel to and measured perpendicularly from these public right-of-way lines.

Section 6.7 Side Setbacks. The minimum side yard and minimum rear yard requirements shall be those established by the applicable zoning ordinance.

Section 6.8 Temporary Structures and Outbuildings. No structure of a temporary character, tent, shack, basement, garage, barn or other out-building shall be erected, placed, or altered upon any lot FOR USE AS A RESIDENCE either temporarily or permanently or at any time be used for such purpose.

Section 6.9 Motor Vehicle Repair and Storage. The repair or storage of inoperative motor vehicles or material alteration of motor vehicles shall not be permitted on any lot unless entirely within a garage permitted to be constructed by these covenants, conditions and restrictions.

Section 6.10 Nuisances. No noxious or offensive activities shall be carried on or be permitted to exist on any lot, nor shall anything be done thereon which may be or become an annoyance or nuisance. Any structure or building permitted to be constructed on any lot by these covenants, which may be all or in part destroyed by fire, wind, storm or any other reason, shall be rebuilt and restored to its previous condition within a reasonable length of time, and all debris accumulated in connection therewith shall be removed within a reasonable time after any such occurrence.

Section 6.11 Permitted Uses. No use shall be made of any lot in this subdivision except as permitted by the applicable zoning ordinance under which this Property is developed.

Section 6.12 Drains. No house footing drain or roof water drain shall be discharged into the sanitary sewers.

Section 6.13 Number of Dwelling Units. The number of Dwelling Units shall not exceed the number of platted lots within the Property.

Section 6.14 Residential Use. Lots may be used only for residential purposes and only for one single-family dwelling, a private garage, and other such outbuildings as are usual and incidental to the use of a residential lot may be constructed thereon. All lots in this subdivision shall be designated as residential lots, and no home shall exceed two and one half (2-1/2) stories or thirty-five (35) feet in height.

Section 6.15 Size. Subject to any further restrictions imposed by any recorded commitment, every single-family dwelling erected, placed, altered or maintained on any lot within

this subdivision shall have a minimum living area exclusive of open porches, unfinished, basements and attached garages of not less than what is required by the applicable zoning ordinance.

Section 6.16 Unsightly Growth. In order to maintain the standards of the Property, no weeds, underbrush or other unsightly growths shall be permitted to grow or remain upon any land, and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon. Failure to comply shall warrant the Declarant or the Association to cut weeds or clear the refuse from the Property at the expense of the Owner, and there shall be a lien against said Property for the expense thereof, which lien shall be due and payable immediately. If such lien is not promptly paid, the Association or the Declarant may file suit and recover such amount together with reasonable attorneys fees and costs of collection.

Section 6.17 Site Visibility. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between two (2) feet and six (6) feet above the street shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting points twenty-five (25) feet from the intersection of said street lines, or in the case of a rounded property corner from the intersection of the street lines extended. The same sightline limitations shall apply to any lot within ten (10) feet from the intersection of a street line with the edge of a driveway pavement or alley line. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines. No fences shall be permitted to be constructed between the front set back line and the street curb.

Section 6.18 Semi-tractor trucks and trailers. No semi-tractor trucks and/or semi- tractor trailers shall be permitted to park on the Property for more than eight (8) hours unless fully enclosed inside a building, or unless the same is necessary and incident to the Declarant's, builder's or Association's business on the Property.

Section 6.19 Lake Area. Except as otherwise provided, access to any lake area, if any, that is a part of the Common Area owned by the Association may be restricted by the Board of Directors of the Association. Except as otherwise provided, no individual using a Lake, if any, has the right to cross another lot or trespass upon shoreline not within a Common Area owned by the Association, subject to the rights of the Declarant, the Association, their employees, heirs, successors and assigns as set forth in the Declaration. No one shall do or permit any action or activity which could result in pollution of any Lake, diversion of water, elevation of any Lake level, earth disturbance resulting in silting or any other conduct which could result in an adverse effect upon water quality, drainage or proper Lake management except as provided in the Declaration. Any Lake may not be used for swimming, boating, fishing or for any other purpose, except for drainage of the Property, unless expressly and specifically approved by the Association Board of Directors in writing and allowed by law. Only the Declarant and the Association shall have the right to store items or develop recreational facilities upon any Common Area owned by the Association adjacent to a Lake.

Section 6.20 Rules and Regulations. The Board of Directors from time to time may promulgate further rules and regulations concerning the use of Lots and the Common Area owned by the Association.
